F) Rabindranath Tagore

Rabindranath Tagore is one of the greatest sons India has ever produced. He was a versatile genius. But mainly as a poet he is known to us. He was born at Jorasanko in Calcutta in 1861. Maharshi Debendranath and Sarada Devi were his parents. In 1913, he got the prestigious Nobel Prize for his wonderful contribution in the field of Literature. He also founded Vishwabharati University at Shantiniketan in 1902. He rejected ‘knighthood’ in protest against Jalianwallabag massacre in 1919. He passed away in 1941. Though he is no more with us, his ideas and ideals still inspire and encourage the whole humanity.
